

Welcome to AccessArt 2024

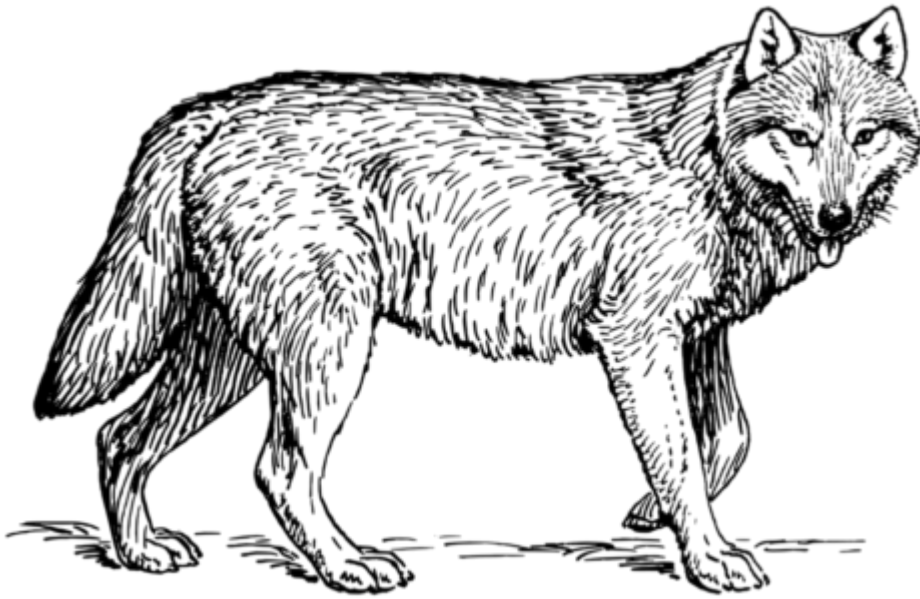

AccessArt is 25 Years Old!

Find out more about our story, and how we will be celebrating!

We are so proud and grateful to our 22,000+ members, and we are excited about where we all go next. Thank you for being part of the AccessArt journey.

Moving Forwards With Confidence

At AccessArt, we are keen to share our insight, experience and vision as to how we might rethink the value and purpose of art education in particular, and education in general.

We are at a pivotal moment in the UK as we approach a general election, which will help decide future education policy. Our question to future parliamentarians: How brave are you going to be?

The articles on this page have been curated to help share our thoughts and start a conversation. Please get in touch if you would like to discuss further, share your ideas, or lend your support.
