

AccessArt Membership: Pay Annually By Direct Debit Online

Direct Debit* provides an easy way to pay for your annual AccessArt subscription. For just £42 per year you gain full access to all our resources, plus downloadable pdf's. You also qualify for discount on our Distance Learning Courses.

With Direct Debit, you are in Control

AccessArt wants to save you time and trouble – we know for many customers paying by Paypal is a hassle, with failed payments because your card has expired mean you lose access to resources. For that reason we are introducing Direct Debit as a payment option.

You'll be notified of any upcoming payments, and you can cancel whenever you want. The **Direct Debit Guarantee** makes this the safest way to pay.

Our chosen payment operator is Go Cardless. Go Cardless is a highly secure and popular system used by HM Government, The Guardian and The Financial Times, amongst many others.

Setting up a Direct Debit with AccessArt is extremely simple (even pleasurable!!). When you click the GoCardless image below, you will be taken to a simple secure **Go Cardless form**.

If you have any questions, call us AccessArt on 01223 262134.

*At the moment we can only take Direct Debits for customers with banks in the UK. If you live outside the UK and wish to

join AccessArt, please see **all other options here**.
