

AccessArt Wins The InSEA Advocacy Award for Organisations 2025

AccessArt is thrilled to announce that we were awarded the InSEA Advocacy Award for Organisations 2025 at the 38th InSEA World Congress held in Olomouc, Czech Republic.

InSEA (International Society for Education through Art) is the official UNESCO organisation for global visual art education.

The award is presented to organisations that support the mission of InSEA– *“the encouragement and advancement of creative education through art and crafts in all countries and the promotion of research and praxis about art education to foster international understanding”*.

This award recognises the contributions of InSEA member organisations that have actively worked to further these goals. The InSEA Advocacy Award also serves as an incentive for cross-organisational collaboration, spotlighting contributions that align with InSEA’s mission.

AccessArt is a proud member of [InSEA](#). Thank you to Susan Coles for accepting the award on our behalf.
