

# Adapting AccessArt: Woodland Creatures

**By Charlotte Puddephatt**

In the '[Adapting AccessArt](#)' series, we will be spotlighting teachers who have used AccessArt resources to develop their own pathways.

In this post, Charlotte Puddephatt, teacher at Sheffield High School, shares with us how she devised her own pathway *Woodland Creatures* for a Year 3 class (ages 7-8), embedding AccessArt resources as well as her own ideas, to create an in depth curriculum pathway covering lots of drawing activities, skills and materials.
