

Landscape Painting: A Collection of Resources by Hester Berry

In this collection of resources on landscape, artist [Hester Berry](#) encourages "looking and discovering, browsing and daydreaming". Hester discusses the work of other landscape artists, both historical and contemporary and encourages you to go out and record your impressions and experiences of the landscape in all its forms: "urban scenes, the country-side, inner-city green spaces and even the sky".

The series begins with suggestions for how to keep a sketchbook followed by exercises in drawing and painting.

We hope that these exciting resources will inspire you to experiment with materials and techniques and enable you to discover your own visual language for drawing and painting the landscape.
