How You Might Use our Animations

The teenage #BeACreativeProducer team have made over 25 minutes of film & animations to inspire creativity in ages 10 to 16. The scenes are split below for ease of viewing, or you can watch the film in its entirety here (26 minutes).

The animations introduce concepts about teenage creativity. You may wish to use them to stimulate conversation and discussion, to help teenagers assimilate the ideas before they go on to explore their own creativity.

We hope that throughout the animations, we demonstrate how teenage creative skills can be used collaboratively to create inspirational content.

Once you have watched the animations, take a look at our animation resources which share animation techniques and ideas (including “the making of” certain scenes below).
