

# Introduction to Landscape by Hester Berry

by [Hester Berry](#)

This introduction to landscape painting is an exercise in looking and discovering, browsing and daydreaming. Enjoy looking at the landscape, urban scenes, the country-side, inner-city green spaces, and even the sky. Become familiar with the images of other artists, past and present. In subsequent lessons, I will suggest exercises in drawing and painting, to develop technique, observation, and good practice.

“Aberystwyth from Constitution Hill in March” oil on canvas by Hester Berry
