8. Sell, Sell — Promote your Game!

This resource is part of the <u>Tool Box</u> series by AccessArt, which shares design and technology project ideas via a series of lesson plans.

Sell, Sell - Promote your Game! A Video for Pupils Sharing your creation with the world!

Please note this page contains videos housed on You Tube. If your school blocks You Tube AccessArt would be happy to provide an email to confirm the integrity of these videos. Please email us here.

Now for even more fun! Time to sell your game to your school! Here's some ways you might want to think about drawing a crowd...

- Give your game a name: the wackier the better.
- Make a poster or flier words and pictures to sell the idea (and the price!)
- Is there a prize or is taking part enough of a prize!
