

# Use Scrapstores!

Scrapstores are a fantastic resource for running any group that supports visual arts learning!

If you run an after-school art club, visiting your local scrap store can help you access a wide range of high-quality art and craft materials for your members. The range of materials in scrapstores changes from day to day and could include card, paper, textiles, paint, corks, wool, cardboard tubes, netting, gauze and a thousand other things!

All scrapstores have different means of accessing their scrap materials. In some, you need to pay an individual membership fee, whilst in others, you simply pay for the scrap you take on the day. Below is a list of scrapstores nationwide, with contact details for each. If you are interested in listing your scrap store on the AccessArt website, then please contact [rachel@accessart.org.uk](mailto:rachel@accessart.org.uk).

## **Modelling the Head in Clay Part 4 – Features**

This is the final post in a series of posts following teenagers modelling a clay head over a term with artist Melissa Pierce Murray. In the final session of the series: Modelling the Head in Clay, we look at how to form the features: eyes, ears, mouth. We look at ways to finish and embellish the form using hair, clothing or inventing horns. In the class we talked about how the muscles attach to the bones, and how the skin smoothes over the surfaces.
