Flying Minpin Birds

Roald Dahl's The Minpin Birds inspired Arbury school pupils to design and make their own birds for a tiny Minpin to ride upon. Alongside this project, the class drew their own maps of imaginary worlds and imagining themselves as Minpins.

Mini World Light Boxes

Teacher Anna Campbell shares this beautiful resource which shares how children aged between 4 and 7 years old, made 'Light' boxes. This project could easily be adapted for an older class and is brilliant for SEN children/adults.

Wall Drawings with Tape

Painted Clay

A resource inspired by the Japanese art of dorondongo, where mud and dirt are shaped and buffed into highly polished spheres.

Classical Inks

Abstract Face – Relief Sculptures

In this construction and painting resource, students make an abstract face, relief sculpture from cardboard, adding colour, texture and metal findings. This resource was inspired by the work of Kimmy Cantrell, a self-taught contemporary artist who uses asymmetry to question long-established views around beauty.

Anthropomorphic Animal Paintings

This painting activity looks at giving human characteristics to animals. Anthropomorphism is making something which is not human, more human like for e.g Miss Piggy, Mickey Mouse and the characters created by Beatrix Potter. This activity was inspired by the paintings of two contemporary artists who use anthropomorphism in their work, Ken Hoffman and Svjetlan Junakovic.

Decorative Clay Coil Pots

Artist educator Sharon Gale working with KS1 & KS2 students at the Weston Park Art Club shares a clay pot making resource: “This is not the traditional way of making coil pots but it’s lots of fun and by using different paint effects, the end

results can be very interesting. We worked on this project for two, two hour sessions”.

‘Painting’ with Plasticine

In this resource, students create an A4 plasticine painting on mountboard, in a theme of their choice. The artwork is completed with a painted border using water based paints. This project took six, one hour sessions to complete but if you can’t allocate that amount of time, reduce the size of the mountboard to A5 or smaller.

Clay Art Medals

In this three stage resource, students make a circular medal from clay depicting their own profile, look at examples of fun lettering and devise a short, fun or meaningful phrase to paint inside their portrait profile.

Clay ‘Portrait’ Miniatures

This two stage clay and painting resource by artist/educator Sharon Gale is very versatile because essentially the miniatures are blank canvasses. In this particular workshop, the subject matter had to link with KS2 Geography and the topic of rivers. Students were asked to research their

favourite creature or plant, that made the British riverside its home. They made their miniatures from clay and painted their chosen wildlife onto them.
