

# Making Drawings Move

Following on from our [School Full of Characters](#) workshop and the [Drawing Storyboards with Children](#) workshop, we had great fun this week making drawings move. The children loved the new dimension added to their drawings, and there were a lot of giggles as the funny faces emerged!

## Sliding Drawings

We didn't do a warm-up this week, just a short demonstration into two ways to make drawings which can move. The first was a sliding drawing.

## Tool Box – Notes for Teachers

Tool Box will give children the chance to become more confident, dexterous and articulate in the way they translate their thinking into action, through a series of stages from research through to design and marketing.
