

Drawing Spirals

AccessArt uses this exercise frequently with both adults and children as a warm-up/ice breaker to a drawing workshop. As well as getting participants to start making marks on the paper without worry or mental blocks, this simple exercise aims to introduce participants to the idea that drawing and mark making might come not only from the finger tips and wrist, but also from the finger tip, wrist, elbow, shoulder and whole body.

the Education Room at the Fitzwilliam Museum, Cambridge

This post follows on from Gathering Marks and Tearing Paper to Appreciate Prints by Goya, Turner and Cornelius at the Fitzwilliam Museum, Cambridge and shares how teachers enjoyed monoprinting on a big scale. The session was facilitated by Paula Briggs and Sheila Ceccarelli from AccessArt and Kate Noble from the Fitzwilliam Museum, Cambridge.

Year 3 & 4 Making Club: Animal Parade – Week Two

This was the second session in a series of three 'Animal Parade' workshops, where children at Making Club at Milton Road Primary School, made 3D animal masks.

After having chosen their animals and created unique designs based on their Carnival Mask Templates in week one, children now attempted to cut and staple their creations to make them three dimensional.
