

Modroc Plasterboard

[By Paula Briggs](#)

In this activity aimed at EYFS and SEND groups, learners will have the opportunity to explore Modroc. They will mould Modroc over found materials to create textured plasterboards that they can then paint over.

The activity aims to help the development of skills such as dexterity and hand-eye coordination, and nurtures each individual's curiosity.

Volcano Painting inspired by Frank Bowling

See This Resource Used In Schools...

What We Like About This Resource...

“We love how this activity provides an opportunity to explore a well known Artist’s work, through focussing on their materials and techniques. The children looked at Frank Bowling’s work before creating their own individual responses that retained individual ownership – something we

advocate as part of a rich and balanced visual arts education. It was also great to see how a professional artist visited the school to further enhance the children's experience." – *Rachel, AccessArt*

Art Club Cafe

Use a range of making and modelling techniques to create a cafe, including modroc doughnuts and fabric pizzas!

Flying Minpin Birds

Roald Dahl's *The Minpin Birds* inspired Arbury school pupils to design and make their own birds for a tiny Minpin to ride upon. Alongside this project, the class drew their own maps of imaginary worlds and imagining themselves as Minpins.

Hand Casts

In this post, artist Melissa Pierce Murray, shows, step-by-step, how teenagers made modroc casts of their hands.

Pimp That Snack! Large Scale Food Sculptures

Art educator Anne-Louise Quinton shares a process for making super sized food sculptures from everyday materials, inspired by the work of Claes Oldenburg. This is a fun and challenging sculpture project for Year Nine and above.

Year 3 Roald Dahl & Quentin

Blake Homework

A year three homework brief to 'make or draw a Roald Dahl character inspired by Quentin Blake.'

Making a Lyre Inspired by the Ancient Greeks

Here, Portia, aged ten and in year five, shows, step by step, how she approached a creative homework to learn more about the Ancient Greeks.

Making Shells

This was an afternoon session for year four pupils at Ridgefield Primary School, Cambridge, and part of AccessArt's Brilliant Makers Club, a campaign supporting and championing making experiences in schools. This session was aimed at children who love making, and was limited to eight pupils, to allow for a rich, and rewarding experience and plenty of time to play with, and explore materials.

Making Finger Puppets

AccessArt and Mencap have got three great ways for you to make finger puppets depending on your time or level of expertise. Starting with a simple print, colour, cut and stick and moving on to a full blown sculptural version, we hope you are inspired to make some puppets and possibly put on a show!
