Megan Boyd

[Scottish Fishing Fly Maker](#)

In a cottage in northern Scotland, Megan Boyd twirled bits of feather, fur, silver and gold into elaborate fishing flies – at once miniature works of art and absolutely lethal. Wherever men and women cast their lines for the mighty Atlantic salmon, her name is whispered in mythic reverence, and stories about her surface and swirl like fairy tales. With breathtaking cinematography and expressive, hand painted animation, *Kiss the Water* adheres to and escapes from traditional documentary form, spinning the facts and fictions of one woman's life into a stunning film about craft, devotion, love, and its illusions.

Enjoy the preview of *Kiss the Water* below – the film is sure to inspire.
