

Drawing with Sticks

By [Elizabeth Hammond](#)

In this post artist Elizabeth Hammond demonstrates how to draw using a stick to give life to the marks made. This way of drawing encourages bodily movement and energy on the page. It is a really accessible activity for all abilities. Become a [member](#) to watch the full video below.

AccessArt is a UK Charity and we believe everyone has the right to be creative. AccessArt provides inspiration to help us all reach our creative potential.

What We Like About This Resource

"This is a great activity to get students to think about drawing in a different way. Extending reach and accepting a lack of control can lead to really

exciting and energised mark-making. It's great to see that this resource has also been used in SEND settings, demonstrating its accessibility." – Tobi, AccessArt.
