Expressive Painting & Colour Mixing

What We Like About This Post: "I love that this activity introduces students to colour mixing in a fun and interactive

way, steering away from the more formal colour wheel and promoting a more intuitive way of colour mixing. The use of sketchbooks also gives students the opportunity to curate their work, nurturing the individuals creative decision making.’ – Tobi, AccessArt

Introduction to Charcoal

Which Artists: Tatyana Antoun

What We Like About This Resource...

“The research phase of a creative project can be presented in many different ways, and can even be an art form in itself. Here, Tatyana demonstrates how her sketchbooks became a medium through which she expressed her thoughts, refined her ideas and explored materials. We believe sketchbooks to be a powerful tool for children to take ownership of their ideas and travel on their own creative journey, without necessarily knowing the destination. Take a look at our [sketchbook journey](#) for more sketchbook inspiration” – Rachel, AccessArt.
