

# Why Use Drama in an Art Lesson?

By [David Allen](#).

In this [Drama and Art series](#), teacher and Associate Professor David Allen explains the different ways in which drama and art intersect, and how the two subjects can be taught together to foster skills in creative thinking, communication as well as nurture an awareness and appreciation of art.

David has worked in primary schools for over twenty years as a teacher, senior leader and Deputy Head teacher. He now works part time as an Associate Professor in Learning and Teaching at The University of Hertfordshire.
