

How I use my Sketchbook as a Painter, by Rachel Thompson

In the series '[How Artists Use Their Sketchbooks](#)', we are celebrating the different ways in which artists use their sketchbooks, spanning across a range of disciplines, to open up minds as to what a sketchbook is and can be, from the perspective of practicing artists.

In this video, painter and AccesArt team member [Rachel Thompson](#) shares with us how she uses sketchbooks, whether as a series of loose sheets or a simple concertina, to develop ideas for final paintings. In this video, you'll see how Rachel captures landscapes and objects, and is led by sketchbook experiments to explore her ideas and failures, and find clues to push forward.

Which Artists: Tatyana Antoun

What We Like About This Resource...

"The research phase of a creative project can be presented in many different ways, and can even be an art form in itself. Here, Tatyana demonstrates how her sketchbooks became a medium through which she expressed her thoughts, refined her ideas and explored materials. We believe sketchbooks to be a powerful tool for children to take ownership of their ideas and travel on their own creative journey, without necessarily knowing the destination. Take a look at our [sketchbook journey](#)

for more sketchbook inspiration” – Rachel, AccessArt.
