

# Adapting AccessArt: Woolly Scarves and Long Sketchbooks

By [Tobi Meuwissen](#)

*In this activity, [inspired by](#) AccessArt resource [Using Pastel to Capture Texture](#), children explored using oil pastels, wax crayons and graphite sticks to create rubbings, capturing the bright colours and woolly textures of scarves, and developing those rubbings into a final concertina sketchbook collage.*

*This activity was delivered to a group of five-year-old children and offers many opportunities for adaptation to extend learning for older children. If being used in schools, it will need two 1-hour sessions.*

*Thank you to the children of [West Didsbury CE Primary School](#) who took part in this workshop.*
