Talking Heads

By Tobi Meuwissen.

In this resource, learners explore their voice and express the things they want to say through debate and portraiture.

Inspired by Lubaina Himid's theatre exhibit, in which she creates to-scale cardboard and wooden sculptures of characters in theatre, learners will create cardboard portraits.

Learners will explore facial expressions and messaging through group discussions or independent contemplation, finding their message within the conversation, and coming together at the end to visualise their place within the conversation. This resource is suitable for ages 13 and up.

Shadow Puppet Making and Performance

How Middle Eastern architecture was the inspiration behind a shadow puppet show for a year 4 class. A great opportunity for children to learn the technical aspects of making puppets, but also using narrative and story to create a performance.

Back – Painted Portraits

How to create portraits using an effective back painted technique. A great activity to explore less traditinal portraiture methods that is suitable for a wide range of

primary age groups.

Abstract Face – Relief Sculptures

In this construction and painting resource, students make an abstract face, relief sculpture from cardboard, adding colour, texture and metal findings. This resource was inspired by the work of Kimmy Cantrell, a self-taught contemporary artist who uses asymmetry to question long-established views around beauty.
