

Early Primary Sketchbook Exploration

By Paula Briggs

This resource shares the Week Two session at [Jeavons Wood Primary School in Cambourne](#), Cambridgeshire, in which I'll be working with a year 5 pupil (Lily-Rani) and a year 4 pupil (Daniel) for one hour once a week. Through regular sessions, and in collaboration with the school, the aim is to:

- Provide the opportunity for the children to develop their hands-on making and visual arts skills through regular contact and small group work;
- Help build confidence in the children in all areas of their school life, including academic, social, creative and practical skills, and so demonstrate the importance of hands-on creative exploration;
- Inspire visual arts projects amongst other pupils and staff in the school by sharing outcomes.
