

# Nests: With Dry and Wet Media

By [Mandy Barrett](#) and [Jo Blaker](#)

In this third of a series of three posts, Teacher Mandy Barrett and Artist Jo Blaker journey on a project that considers the materials and structures of nests. In this third post the class begin to refine their nest drawings using pencils, oil pastels and ink.

## **What We Like About This Resource...**

“This project provides a real opportunity for

children to engage with a range of different processes to produce truly individual final results. Jan Miller is an experienced teacher and connects her projects well with learning outcomes. In this case, children are encouraged to have a loose approach and to make their own creative decisions – which is such a valuable part of any child (or adults!) creative education”. – *Rachel, AccessArt*

# What We Like About This Resource...

*"We're really grateful to Jake from Draw Brighton for sharing this activity which became so well received during lockdown 2020.*

*This is the perfect reminder that wherever we are in the digital or physical world, we have our eyes, hands and faces, and drawing provides a wonderful opportunity to come together in small groups to make sketches of each other. Use this activity as an ice breaker before a workshop, or as a transition activity between classes or events. Thank you Jake!"* Paula, AccessArt

## Finding Marks Through Drawings Made by Artists

By Paula Briggs

This resource shares a way to introduce learners to the diversity of mark making at their disposal when making drawings. By deconstructing drawings made by artists, we can begin to build our own vocabulary of marks, and start to make our own creative decisions about when to use a certain mark in a particular context, and understand how the marks we choose will affect the final drawings.
