

Post Office by Rosalie Schweiker: An Interactive Community Art Project

A **40 Artist Educator** Resource:
Be Inspired by Rosalie Schweiker

Artist Rosalie Schweiker describes how she created an interactive community art project in a secondary school, where the pupils took on the roles of designer/makers and writers for the project.

This project was shared with AccessArt as part of the [40 Artist Educator Project](#), funded by Arts Council England, aiming to highlight and celebrate artist-led teaching and facilitation.

Post Office by Rosalie Schweiker

This resource describes a post office, which was set up over a period of six weeks at [Frances Bardsley Academy](#) in Romford in 2011. The post office, which was initiated and developed by the artist Rosalie Schweiker in conversation with the school's permanent resident artist Denise Hickey, developed into a cross curricular collaboration between students, teachers and other school staff.
