

# Life Drawing: Drawing the Head by Hester Berry

[By Hester Berry](#)

## Heads

The thought of drawing faces is daunting to most people, but I'll show you how you can tackle them using simple and logical steps.

# Red to Green: Making Sculpture

I wanted students to be pushed to explore how to make a free standing sculpture encompassing modern sculptural principles of form, shape and balance, yet with an accessible and tangible approach to working.

---

# Red to Green: Steps to Observational Drawing

Foundations for students to be able to approach observational drawing without feeling inhibited or paralyzed and reinstate their confidence in their ability and right to draw.

---

# Red to Green: Monoprinting

Monoprinting is an excellent way to access mark making and drawing but with a bit of 'distance' from the finished work. Results are always unexpected and the process itself very engaging, so any potential anxiety about what a finished drawing 'should' look like is taken away.
