

Making Birds! Sculpture Ideas for Primary Schools

By Paula Briggs

These striking birds are easy to make and combine your drawing and making skills. Make one as a pet, or make a whole flock as a piece of sculpture! You could even make them a house to live in or a tree to perch in!

Diana Beltran Herrera uses paper for her delicate model birds: [Diana Beltran Herrera](#)

This is a great project for children as the actual technique is quite simple yet there's lots of room for experimentation and individuality.
