Santa comes in all Shapes and Sizes: Yr 3 Make Bouncing Santas!

A fun end of term project that would also be perfect to do at home – making model Santas with character! Jan Miller share a process to make 3D model Santas using simple materials and processes. This activity can be used with children aged 7 to 14 (any KS, 2, 3 children).

All That Glitters...

Teacher and artist Jan Miller shows year three pupils works by the artist Andrew Logan. Pupils then have fun playing with materials that glitter and sparkle, developing their design and making skills to produce personalised brooches, decorative images of celebrities and gorgeous treasure glitter boards. Finally, they explore portrait drawing, creating a sparkly 'selfie'!

Making A Creative Response – Physical to Aural

As part of the teenage #BeACreativeProducer Project, we have been exploring how we can trust and use “instinct” in relation to finding starting points to generate ideas and enable creativity. In this post, AccessArt Young Artist Alex Tunstall shares what happened when he received a “box” of physical stimuli to inspire an aural response.
