Eraser Printmaking with Morag Thomson Merriman

Morag Thompson Merriman

Mo is a Scottish visual artist with a MA (Hons) degree in Fine Art. Her work is an intuitive response to the way memory is overlaid with historic or recent experiences of loss, absence and change, experimenting with ways to convey 'presence', or the sense of something being

revealed or concealed. She is inspired by familial connections to the landscape and her inherited collection of earthy textured pottery ware. Small in scale, her work is mostly on paper, manipulated with mixed media to create subtle, richly textured surfaces. Mo is responsible for all social media marketing for AccessArt on Instagram and works part-time.
