

Giant Jewellery: Multimedia Response to Yayoi Kusama

By [Clare Boreham Kerr](#)

In this resource, specialist art teacher Clare Boreham Kerr shares a project inspired by the colours and patterns used by the artist [Yayoi Kusama](#). This multimedia activity uses a range of materials, including sketchbooks, to make [colourful giant jewellery](#). Clare works in special educational needs education, but this project could be translated across a variety of settings.

This three-part project can be split across three or four sessions. Beginning with sketchbooks and drawing, pupils will move onto collage and 3D work, finishing off with a session dedicated to construction and reflection.
