

Screen Printing In The Classroom

By [Paula Briggs](#)

Screen printing is a very enabling activity - it's great fun and creates excellent outcomes, but because it normally requires expensive screens and lots of space, most schools aren't able to explore it as a medium. This post shares a simple method for screen printing in the classroom without specialist or expensive equipment, which makes it easier for you to manage in school. Watch all 3 videos to find out about preparation, process and cleaning.
