

AccessArt's Prompt Cards for Making

[<< Back to AccessArt & Saatchi Learning <<](#)

The AccessArt Making Prompt Cards are a great way to inspire making in children, teenagers or adults. They provide just enough inspiration to kick start creative thinking and enable an exploration of materials and intention.

Make something which has a
“seed” from which grows a root
and shoot.

What We Like About This Resource...

“You can get a real sense of the environment in this post and how this could provide so much inspiration for creative projects. We are aware there the challenges to exploring the outdoors when many schools are in towns and cities. A way around this could be to have a regular collection of natural objects within the classroom and using them as a stimulus to respond creatively in sketchbooks or in extended projects” – *Andrea, AccessArt*

Working with Dogwood

What We Like About This Resource...

“It’s lovely to see a resource that centres on a particular material and the scope it offers. I particularly like how the dogwood is used here to make wooden beads. This idea could be developed further by looking at how wood has been used to make jewelry throughout history and within many different cultures.” – *Rachel, AccessArt.*

Withy Butterflies

Art educator Anne-Louise Quinton shares a workshop for making a flock of large, withy butterflies, creating a colourful and dramatic artwork.

Sculptures with Personality, Inspired by Anglo Saxon Houses

This resource shares a 3 hour session with Year 6 children from Barton Church of England Primary School. Children were studying the Anglo Saxons and we thought it would be a good opportunity to explore making skills.

Led by Paula Briggs, children to “make sculptures inspired by” an Anglo Saxon Village.

Making Giant Withie Lanterns

With 'festivals of lights' in November and December, teenagers at AccessArt's Experimental Drawing class had a fun time constructing giant lanterns out of withies and wet-strength tissue paper.

Perseverance, Determination and Inventiveness: Building Nests

Year 4 pupils from Comberton Village College and Cambourne Village College feeder schools met for a Gifted and Talented Sculpture Masterclass led by AccessArt at Bourn Primary Academy. The session centred around an exploration of the materials and construction methods we might use to build inventive, sculptural nests.
