

Chalk Pastels

Exploring Materials: Chalk Pastels

Pastels are a versatile drawing medium which even the youngest learner can enjoy exploring. From hard to soft and chalk to oil, pastels can create a range of diverse results.

Find resources on this page which help aid that exploration, and which take that exploration further through projects and pathways.

All resources can be adapted to all age groups from children through to adult.

INTRODUCTION TO CHALK PASTELS

Artist Lance Richardson introduces chalk pastels – their characteristics and how they might be used.
