

CPD Recording: Sketchbook Share

For over 25 years, we've explored the question: *What strategies do artists use to help their creativity flourish?*

In this CPD session recording of our fifth [Sketchbook Share](#), we delve into the value of [visual notes](#) and the benefits of sketchbooks as a tool to support and enhance creative thinking.

We were joined by three educators working across diverse settings who shared how they use sketchbooks with their learners and the positive impact it has had on their teaching and their learners' creative development.
