

CPD Recording: What's Next for Art, Craft & Design in Schools?

This short, 30-minute session provides teachers of all Key Stages and SLT with a summary of the recently released Curriculum and Assessment Review, and the government response, in relation to art, craft and design education. As a Subject Association for Art, we shared what we know so far, our thoughts and reflections, and answered any questions we can.

We also explored what teachers might expect in terms of the timescales and intentions for any revised curriculum for Art, Craft and Design Education. This session was recorded on 09/12/2025.
