

# **Fashion**

## **Welcome to AccessArt: Fashion**

**Fashion is a great way to express identity. It's also an exciting discipline for exploring shape, colour and pattern, transforming 2D designs into 3D.**

**Within fashion there are many different areas for exploration such from creative design where you may begin with a drawing or collage, to production which involves physical making.**

**Enjoy exploring fashion resources on AccessArt below.**

**Dip Your Toes Into Fashion**

**Explore these focused collections of**

resources to help introduce fashion to your learners. These resources can be adapted to a variety of settings and age groups

## Shoe lala project
