

Draw Together Online Drawing Course for Teenagers: Join Now

Thank you for your interest in this online course. Due to new GDPR legislation, we have now removed this course from our site. We are exploring how we might produce online courses for teenagers in the future which comply with the new guidelines.

In the meantime, if you have already registered for the course, you are most welcome to use the original content (without the feedback option), free of charge, by following the links below:

- **Assignment 1: Autobiographical Drawing**

Using drawing and collage materials to exploring portraiture, and learn how to create a hand bound book of the images produced. This workshop was contributed by artist illustrator **Aurora Cacciapuoti**.

- **Assignment 2: Drawing Space**

Exploring the power of drawing as a tool to 'draw space' and express how we interact with space and place.
