

Drawing our own "Wild Things" to Inhabit our Imagined Landscape

By Paula Briggs

This resource forms part of a series which enables primary-aged children to explore drawing and making inspired by Maurice Sendak's *"Where the Wild Things Are"*. [See all the resources in this series here.](#)

In this session (the 5th in the series), children are given the freedom to create their own "wild things", bringing together skills learnt from previous weeks including mark-making, observation and narrative, as well as bringing their own interests to the project.
