

Dreaming With Watercolour

By [Laura McKendry](#).

In this playful and experimental resource, Laura McKendry shares how she facilitated the exploration of watercolour with a group of adults with learning differences and neurodivergent needs at [Artbox London](#). In this workshop, learners explore the unpredictable wonder of watercolour using a range of techniques and varied mark-making tools to work towards a series of outcomes, including a dreamlike image.

This activity was facilitated in a [SEND](#) setting but would also suit a variety of age groups and learners in alternative settings.
