

Emma Davies – an Artists' Sketchbook

Emma Davies, Artist

I have various sketch books dedicated to a number of topics. And they are used quite methodically and may take me years to complete. Some are used to research ideas for art works - some I consider as art works themselves. I have a whole cupboard full of sketch books. And I often sketch on any piece of paper that is lying around and then stick it in like a scrapbook. In the past my sketchbooks have been a messy affair... but at the moment I am in a 'tidy' period. This probably reflects my ordered approach to my life as a working mum. As a student they were rather tatty covered in paint.
