

Exemplar Primary Art Curriculum – Year Three

• Autumn 1

Quentin Blake's Drawings as Inspiration!

The [Quentin Blake's Drawings as Inspiration!](#)

resource enables children to make figurative drawings from life, inspired by Blake's own work. Encourages children to really look at the figure and it's personality/activity in order to make drawings which communicate intention.

• Spring 1

A Cheerful Orchestra

The [A Cheerful Orchestra](#) resource is a wonderful exploration of music and visual arts, using one to inform understanding and exploration of the other. Plenty of opportunities for working on a variety of scale and in a variety of medium.

Not quite right for your school? See more [Painting resources here](#).

• Spring 2

Typography for Children

The [Typography for Children](#) resource introduces children to the concept of font design. Explore how font type can change the way words are presented, and how we can take

inspiration from many different sources to invent something new. Use the results in a design-led, branding project or in the project shared in Summer 1.

• Summer 1

3D Visual Maps

The [3D Visual Maps](#) resource builds upon typography skills learnt in Spring 2, and

enables children to create 3d maps based upon real or imagined landscapes. Combines drawing, design and making skills.

Not quite right for your school? See more [Craft resources here](#).

Drawing and Making Flowers

The [Drawing and Making Flowers](#) resource encourages observational drawing skills and

then enables pupils to extend and develop their creative response into 3 dimensions using a variety of media.
