Exploring Portraits with Eleanor Somerset

A **40 Artist Educator** Resource: Be Inspired by Eleanor Somerset

Exploring Portraiture with Eleanor Somerset

In this resource artist Eleanor Somerset shows how she led students in <u>The Little Art Studio</u>, Sheffield, to explore and discover portraiture through various media.

This project was shared with AccessArt as part of the <u>40</u> Artist Educator Project, funded by Arts Council England, aiming to highlight and celebrate artist-led teaching and facilitation.

Exploring Portraits with Eleanor Somerset

This resource based workshop took place with a group of seven 9 to 14 year old students, over several weeks, to develop an understanding of portraiture. The project began with the students exploring their own features through mark making with a wide variety of media, collaged images and thumbnails. They also looked at the work of other artists. Finally, the students made two self-portraits of themselves, experimenting with clay relief and lino printing.
