Welcome to AccessArt: Explore All Resources

AccessArt believes that everyone has the right to explore their creative potential. By working collaboratively as educators and learners from diverse settings, we can cultivate rich, inclusive art education experiences that inspire, empower, and enable.

We offer over 1500+ resources, developed in-house by our expert team and in collaboration with teachers, artists, and artist educators. We are a UK [Registered Charity and Subject Association](#) – about 25% of our resources are free to access, and 75% are behind our [membership wall](#).

Enjoy exploring – new resources are added each week.
