

The Friendship Tower by Rachel Scanlon

By Rachel Scanlon

A Project Inspired by the Countries of the World for the Whole School

During May 2014 [South Wilford Primary School](#) contracted me to help them plan and deliver a project for arts week, this was based on Countries of the World.

With the onset of the world cup all of the children were interested in discovering more about other nations. The school wanted a three-dimensional sculpture which involved their theme, as well as some training for teachers and whole school involvement.
