What We Like About This Resource...

“It’s really interesting to see how Gabby works across the different disciplines of textiles and illustration in her work, and you can see how the

principles of each are present in these beautifully made felt sets. We enjoyed learning how she went between planning and making – showing that the process of creating isn't completely linear, and that the journey of idea creation can happen through sketching ideas, but also through making itself" – *Andrea, AccessArt*
