

# Illustrating 'The Jabberwocky'

In this resource, AccessArt contributor [Eleanor Somerset](#), illustrates how she worked with a group of 7-10 year old pupils and another of 10-15 year old budding artists, at the [Little Art Studio](#) in Sheffield, on a series of workshops to illustrate Lewis Carroll's [The Jabberwocky](#).

Eleanor worked over several weeks, during the dark, winter months, on this project and approached it by delivering a series of highly creative and imaginative sessions exploring experimental and elemental drawing culminating in the production of concertina sketchbooks illustrating the poem.
