

Installing Artwork in “To Scale” Gallery

By Paula Briggs

This resource accompanies the [posts you can find here](#), which describe how students aged 12 and 13 created a ["To Scale" Gallery](#) and then [made miniature artwork](#) to go into the gallery. This post describes how students responded when asked to make their individual gallery spaces their own, by curated and installing their own exhibition.

Many thanks to the [Pocket Gallery by Anne-Louise Quinn](#) which inspired this activity!
