

# Key Concepts for Primary Schools in Drawing for ages 7 to 9

[<<< Back to the AccessArt Drawing Journey for Children Ages 7 to 9<<<](#)

The statements below can be used by primary schools to check that the offering the school provides to pupils covers key concepts in drawing.

By the end of UK Year 4 (age 9) these statements should resonate with the majority of pupils (and form the basis of opportunities provided by school, covering key concepts in drawing).

- I have enjoyed exploring different drawing activities, and I have found ideas, techniques or materials which I like.
- I have had the opportunity to work on a variety of scales. Not all the drawing I have done has taken place at a desk.
- I understand key words relating to drawing, and have gained this understanding through practical experience.
- I have used a variety of drawing media and been given the opportunity to practice my skills. I have also drawn on a variety of

**drawing surfaces.**

- I have made drawings from observation, and imagination, and I have felt increasingly able to experiment.**
- I have drawn alone and I have also created drawings as part of a group.**
- I have been introduced to some of the reasons we might draw: drawing for its own sake, drawing to share ideas, drawing to build my understanding.**
- I have drawn from a variety of subject matter, including drawing from life (including people and places), as well as drawing from photographs and film.**
- I have been inspired by the drawings of other artists, craftspeople, designers and architects, and I understand the role of drawing to my world.**
- I feel I have been able to develop my creativity through drawing.**
