

DrawAble: Let Me Inspire You!

Be inspired by the artists who have made short films about their practice as part of the [DrawAble](#) project.

These videos can be used to introduce artists and ideas to children before moving on to activities shared in the [Building Your Story](#) and [Envisioning Stories](#) sections. All DrawAble resources have been created for use at home or school during lockdown or as part of a blended learning offering.

If you are having issues viewing videos it may be due to your schools firewall or your cookie selection. Please check with your IT department.
