# Lino Printing Inspired by Gestural Drawings

#### By Joy Johnston

This post shares a <u>lino printing</u> activity by Joy Johnston, inspired by the work of <u>Mark Hearld</u>. Gestural observational drawings are made with a variety of media, and then the resulting sketches used to inform lino cuts. This activity was done with a year 6 class, and is the perfect activity to record seasonal changes happening around us.

A Five Colour Print Using The Reduction Method From One Piece of Lino.
