

Lizzie Knott

Lizzie is an illustrator from Hertfordshire, who has recently graduated from Cambridge School of Art. She works digitally to create fun compositions, with a bold use of colour and a variety of characters. She often depicts the themes of mental health, diversity and the LGBTQ+ community. She is currently signed by Darley Anderson Literary Agency and is working towards her first book. She is also shortlisted in the 2020 World Illustration Awards.

And here are some links that I would like to include!
