

Making 'Large as Life' Scroll Drawings

By Paula Briggs

Following on from our **book art** sessions in the **Drawing and Making Workshop for ages 6 to 10**, I thought we'd finish off by making a scroll book, which the children loved. We explored drawing objects life sized, using a selection of media.

By complete chance, the scrolls were fist sized once they were rolled up, and the children loved carrying them around when they were finished - great for ownership of their work!
